

## GETTING TO KNOW OUR PARISH FAMILY REPRINT

---

### Vicky Dohmen

Vicky Dohmen, daughter of Eugene and Ann Dohmen, is a parishioner at St. Mathias Parish. She grew up in the Hampton area and attended St. Mathias Catholic School from the first to the sixth grade and graduated from Randolph High School. She enjoys singing and is a member of the church choir. Vicky is a single mother of three children, Mark 29, Joseph 28 and Andrea is 24.

She has been the owner of Little Oscar's Restaurant since 2005 which employs a crew of about twenty. The restaurant seats one hundred and they do occasional catering for weddings, anniversaries, funerals and work-place events.

(They serve a wonderful fish fry on Friday nights too).

Little Oscar's is celebrating its 50th birthday this month. Vicky has planned special events to help celebrate the restaurant's success. It's quite an accomplishment for a restaurant to continue serving the community for so many years.

Prior to owning Little Oscar's Vicky worked as a painter. She started at Flint Hills Refinery and moved to commercial painting. She worked on new apartment buildings, a parking ramp for the new Guthrie Theatre, and ended her painting career being in charge of a 5th floor renovation in the Landmark Center in St. Paul.

When her children were younger, she worked at Sheldahl in Northfield, manufacturing flex circuitry, for sixteen years. Now Vicky enjoys spending time with her dogs, Ollie, Eddie and Teddy.

Happy Anniversary!
