

St Mathias Catholic Council of Women

The mission of the St. Mathias Catholic Council of Women is to Empower, Educate, and Support women to lives of service, spirituality, and leadership to their families, parishes, communities and the poor of the world.

St. Mathias Catholic Council of Women invites you to participate in one or more in one or more of the following committees.

- **Hospitality Committee**

This committee is responsible for the hospitality needs of our church. These needs will be decided by the committee or may be requested by the Pastor. Some activities may include donut breakfasts, refreshments for meetings, and greeting people before Mass. We would also coordinate special events for the members of our organization which would promote spirituality, fellowship, service, and education for us as Catholic women. We may also sponsor events for the parish, or fundraisers with proceeds designated for a specific purpose.

- **Charitable Works Committee**

This committee is responsible for helping with the charitable needs within our community and the world. Projects would be determined by the committee and our women's organization. We may also work on various projects with the Social Justice Committee of the St. Mathias Parish Council.

- **Church Cleaning Committee**

This committee is responsible for cleaning the first floor of the church and choir loft on a regular basis. This does not include the sacristy which is cleaned by two ladies of our parish. Cleaning would include vacuuming,

washing floors, and dusting. Equipment used for cleaning will be maintained by the church custodian. Equipment and supplies needed for maintaining the church must be communicated to the custodian and any expenses incurred will be paid by the church.

- **Funeral Luncheon Committee**

This committee is responsible for coordinating the luncheons for funerals held at St. Mathias Church. This would involve food preparation, setting tables, serving and cleaning up.

- **Fun Fest Food Stand Committee**

This committee is responsible for working with the Fun Fest Chairperson(s) on setting up the menu for the food stands and assisting with the scheduling of workers.
